

How can I become a Christian?

Admit that you are a sinner who needs God's forgiveness and cannot save yourself.

Believe that Jesus is God's Son, Who died to pay for all your sins and rose again.

Cry out to God and ask for His forgiveness.

How can I grow as a Christian?

Central wants to help you grow in your faith, and we offer several opportunities to do so, including:

1. Worship. You're invited to join us as we gather to worship the Lord each Sunday at 11 am and 6 pm.

2. Study. In addition to the teaching that takes place during our Sunday and Wednesday services, we'd love to help you find a Sunday school or Bible study group where you can study God's Word and learn how to apply it to your life.

3. Fellowship. God calls us to practice our faith within a community of believers, but it can be challenging to build those relationships in a large worship gathering alone. We would love to help you connect with one of our small groups to encourage your spiritual journey.

4. Service. God has a purpose for every believer. There are numerous opportunities to serve Him both within the church and out in the community. Let us help you discover and fulfill His calling on your life.

5. Outreach. The Bible calls us to share our hope with the world. One way to do this is to invite others to church; an even better way is to tell them about the salvation Jesus has provided. If you need help getting started, we would be glad to assist you.

Roof Repairs

Last week, we announced plans to replace the roof. An interest-free loan of approximately \$15,000 was generously provided so that we could begin before there is any further water damage. The pastor and deacons have been reviewing the expenses to cut unnecessary spending, which will help us pay back the loan sooner. If you would like to contribute to help pay for these repairs, please write "Roof" on your envelope or your check's memo line.
